Dear Josie,

Future of Sheep Commoning in the Forest of Dean

I would like to thank you and express our deep appreciation for your support throughout the recent months in opposing the introduction of a PSPO to exclude sheep from the village of Bream. The District Councillor decided against this imposition by the narrowest of margins, the Chair's vote. Without your support and the publicity generated for our campaign it would certainly have been impossible to achieve this outcome. We were very grateful for you coming to visit our locality and showing such interest.

The work of the Manifesto organisation is extremely important in supporting civil liberties in the UK and we wish you the best for the future and your campaign to repeal this legislation.

Yours sincerely,
