

CHECKMATE HAS VETTING GONE TOO FAR?

Thursday 26 July 7-9pm

The Spitz, 109 Commercial St, Old Spitalfields Market, London
E1 6BG

Soon it will be a crime for a non-CRB-checked father to help out at his son's football team. Are paedophile panics doing more harm than good?

This Manifesto Club event at The Spitz will be a space for honest discussion about the impact of child protection measures - and to consider alternative ways forward.
